

# Welcome back

English 

We can't wait to welcome you back to our island again. The government of Curaçao implemented measures and guidelines to make sure your stay here is as comfortable and safe as possible, for you and the locals. [To learn more click here.](#) For this reason, we'd like to ask you to follow a few mandatory steps before departure. These steps differ for residents of Curaçao and international travelers.

**So, please make your choice to continue:**

- 2 All international travelers are required to follow a few mandatory steps before departure. Entry to Curaçao and the measures taken depend on your travel history and medical information. The Public Health Authorities have classified countries into low risk and high risk. For the actual list of countries and their risk level as per evaluated by Curaçao, please [click here](#).

**Low Risk Countries** – travelers who depart from a **low risk country** are required to complete the online Passenger Locator Card form (PLC) within 48 hours prior traveling to Curaçao and carry a printed document of proof with them.

**High Risk Countries** – travelers who depart from **high risk countries** are only allowed entry under certain conditions. Passengers from a high risk country are required to complete the online Passenger Locator Card form (PLC) within 48 hours prior traveling **and** submit a negative result from a certified COVID-19 PCR test. The PCR test needs to be taken at maximum 72 hours prior to departure at an accredited laboratory.

**Please note:** Children aged 6 and under who don't show COVID-19 symptoms, and whose parents/caretakers can show proof of a negative PCR test, are not required to undergo a PCR test. Please note, only deep pharyngeal nose and throat swab PCR tests are accepted. PCR tests such as Gargle samples, Saliva swabs and Rapid PCR test will **not** be accepted. Passengers should carry a printed document of proof with them for both the PLC and negative PCR test result.
